Purpose of the Executive Group of Houston (EGH) is to exchange business opportunities and referrals among members. **Referral exchange and on-time regular attendance are requisites of continued membership.**

Membership is open to individuals only (not to businesses or corporations) and is not transferable. Once an individual has attended a minimum of three meetings, the application for membership will be brought before the EGH for consideration of acceptance. Membership dues are \$230.00 payable quarterly.

Membership shall be limited to one person from any competitive career field. Members are entitled to exclusive representation in only one defined principal field of business (in order to allow for expansion of the membership to benefit the entire group). This is the "Principal Field of Business" described above.

*As a member, I am making a commitment to attend the meetings each week and actively participate in promoting my fellow members businesses through professional referrals.*
